

Group 17 Contract

Ground Rules:

1. Communicate with everyone in the group.
2. Make sure workload is fair for everyone. If you do not agree, say something about it.
3. Do not make any changes or decisions on one's own. $\frac{2}{3}$ group members must agree to it.
4. Communicate via Discord
 - a. If not available, let group members know
 - b. Try to make response time 1 day max
5. Stick to the checkpoints, soft deadlines, and hard deadlines
 - a. If you know you cannot finish, let group members know at least a day before
 - b. Amount of checkpoints depend on project
 - c. Soft deadlines are 3-4 days before project deadline
 - d. Hard deadlines are 2 hours before the deadline

Aria's finish the sentence:

I function best in groups when...

work is divided evenly and procrastination is avoided

I really hope our group can:

Nomar's Finish the sentences:

"I function best in groups when there are clear instructions and people are not afraid to speak up/out."

"I really hope our group can finish the project without too many headaches."

Changes can be made to the contract if needed. New versions of the contract will be uploaded to the Github repo.
